XVI World Water Congress

International Water Resources Association (IWRA)
Cancun, Quintana Roo, Mexico. May 29 - June 2, 2017.
History of IWRA World Water Congresses

- 15 Congresses since 1973
- Global meeting place for water stakeholders & professionals
- Share experiences, promote discussion, & present new knowledge, research results and developments
- Identify major global themes concerning the water agenda
- Pursue and encourage development and implementation of policy decisions
- Example: Resolution creating World Water Council (which hosts the World Water Forum) at 1994 IWRA Congress
