Dear Members of the EECCA Network of water-management organizations,

I have a pleasure to invite all of you to take part in the International Conference of EECCA NWO “Cultural and Educational Issues Related to Water Management in the EECCA Countries”, which is to be organized in Almaty, Kazakhstan from 9 to 10 February 2016.

The key points to be addressed during the Conference (9 February) are:

- Water and education;
- Water and culture;
- Water and civilization;
- Water and ethics.

As part of the Conference, it is planned to organize a round-table dedicated to the 50<sup>th</sup> Anniversary of the State Program for Development of Land Reclamation and Water Management (10 February), a workshop on application of IWRM ToolBox by the Global Water Partnership (11-13 February), and a meeting of the Regional Council of GWP CACENA (10 February).

Please inform about your interest to participate and submit proposed topic of your report to the Network’s Secretariat until 15 December 2015.

Proceedings of the Conference are expected to be published summarizing its results.

P.A.Polad-zadeh

President of EECCA NWO

Academician, Russian Engineering Academy
