INTERNATIONAL NETWORK OF WATER TRAINING CENTERS

8th World Water Forum sessions addressing professional training and capacity building

Once again, INWTC is of course playing a major role in the preparation of the Forum's sessions. In particular, strong of its experience as WWF7 Champion of the Daegu-Gyeongbuk Implementation Commitment (DGIC) for the Theme 4.5 "Enhancing Education and Capacity Building", it prepares many sessions related to professional training management issues with its partners, including Rand Water –South Africa, Ministry of Energy and Water –Lebanon, Consórcio PCJ –Brazil, Capacity Development in Sustainable Water Management –CapNet-UNDP.
